

INITIATIVES

ChooseOwasso.com is a one-stop-shop for your business and community needs. This full-service website will guide existing and prospective businesses, residents, and visitors through Owasso's economic development programs and resources.

The foundation of our economic development program is business retention and expansion. Our BusinessTHRIVE Program is designed to (1) retain or keep existing businesses in our community, and (2) provide assistance for our businesses to grow and expand. The BusinessTHRIVE Program invites industries to interact monthly to identify needs for assistance, facilitate resources, and advocate for the business community's concerns. Staff will also make personal business visits on a regular basis. For more information about the BusinessTHRIVE program, please contact our Economic Development Team at 918-376-1518 or info@chooseowasso.com.
